I am an Assistant Corporation Counsel in the Special Federal Litigation Division of the New York City Law Department handling the defense of this action on behalf of defendant City of New York. I am writing with the consent of plaintiff's counsel, David B. Bowman, Esq., to request a thirty-day enlargement of time, from August 14, 2008 to September 15, 2008<sup>1</sup>, within which this office may answer or otherwise respond to the complaint. Before this office can adequately respond to the complaint, we will need to conduct an investigation into the facts of the case and forward to the plaintiff for execution authorizations for the release of the underlying arrest and prosecution records, which may have been sealed pursuant to NYCPL § 160.50. Without the underlying records, defendants cannot properly

assess this case or respond to the complaint. Accordingly, the enlargement of time will afford us the opportunity to fully investigate the matter and to secure the relevant documents.

In view of the foregoing, it is respectfully requested that the Court grant the within request extending the City's time to answer or otherwise respond to the complaint until September 15, 2008.

Thank you for your consideration of this matter.
